White Men are the Aggressors this Tim Bloodshed Probable, CAIRO, ILL., Sept. 13.—There are symptoms of a race war in Missouri at Dex. ter, forty-two miles from here. The people in that section have for years ex cluded all negroes from among them. A short time ago a man named William settled on a farm near there and engaged settled on a farm near there and engaged a dozen negroes to work for him. Fifty armed white men waited upon him there and told him he must get rid of the negroes. He said they might kill him first. The armed men returned to town, where they circulated a paper pledging the signers to stand by the regulators. About fifty signed the paper. About fifty men side with Williams, among them a hardware merchant, who has imported Winchesters and ammunition sufficient to arm his side. Further trouble is expected.
